This will be a rain or shine event. Well at least the lunch meeting will be, the tour, probably not!

Our own Skip Partlow has agreed to lead the tour. This will be the “condensed” version of a tour with general highlights. Skip is willing to do a more in depth tour at a later date for those interested. This will be a “top down” tour so bring your binoculars, sun screen, hat and water. Skip will supply handouts before starting. If you have questions regarding the battlefield part of the tour contact Skip at:
