

Registration Opens for 2021 Put-in-Bay Vintage Sports Car Races; Featured Marques Include Volvo, VW, Saab, Turner and H-Modified Cars

Put-in-Bay, OH 1/1/21 – Registration is now open for the 2021 edition of modern-day vintage racing at Ohio’s historic Put-in-Bay. Following the cancelation of the 2020 event due to the Covid-19 Pandemic, a large percentage of entrants carried over their registration to 2021. Since then excitement has continued to mount for this fun-filled and relaxed event.

Beginning with a small “reunion” in 2009, today’s racing- and non-racing entrants at Put-in-Bay enjoy several days of sports-car enjoyment in a relaxed and nostalgic setting where small-bore sports cars raced through the streets of this island enclave from ‘52 to ‘59 and once more in 1963.

For this year’s event (September 21-24 with racing at the Put-in-Bay airport on September 22 and 23) race organizers have built on the enthusiasm for 2019’s “Tin-Top” celebration to invite drivers of vintage Volvos, VWs and Saabs to come share the fun as official featured marques. Also, the more-or-less annual Turner Reunion returns their event to “The Bay” as part of the featured marque group. And finally, over the past year it seems the H-Modified crowd has caught wind of the goings-on at Put-in-Bay, so a contingent of Crosley/similarly- powered specials including several Berkeleys are expected to be on hand for the 2021 event. All entrants with featured marque status are eligible for discounted entry fees and special races. And, as always, there will be the usual array of entrants racing in multiple classes in four groups plus exhibition.

In addition to the on-track race entries there are also non-racing participant categories for *Heritage Street Cars (qualified pre-’64 cars)* and *Guest Street Cars (generally post-’63 to ’72)*.

The event is also the third leg of the 2019 “Great Lakes Vintage Challenge” whereby entrants in several production classes and in Formula Vee accumulate race-finishing points at the Waterford Hills Vintage Races, VSCDA’s Au Grattan event and at Put-in-Bay.

In addition to two full days of racing, the Put-in-Bay Sports Car Races event includes: tours of the original island course, several social events, a car show, rocker cover races, guest stories, and more.

Spectating at the races and many of the other activities is open and free to the public.
