

Service and Restoration Shops within our region.

The following is a list of service and restoration shops located within our region that have experience working with our British cars. (South central Pennsylvania and northern Maryland). The LancoMG Club does not specifically endorse these businesses nor accepts responsibilities for or warrants the work that may be provided by these businesses. However, they are known to our members and have been used by many of us. We list them here only as a convenience to those looking for enterprises to possibly work on their vehicles.

- **Steffys Garage** – 235 W Main St. Leola PA, steffysgarage.com, 717 656-6065 (Recommended by many Lanco MG members)
