

2023 Best of Britain Celebrating 100 Years of MG

Updated Schedule - February 11 through February 19

The Simeone Museum is proud to present "Celebrating 100 Years of MG Cars," an exciting event to commemorate the centenary of the iconic MG brand. This event will take place from Saturday, February 11th and run through Sunday, February 19th and will feature a special display of MG cars from the past 100 years. Guests will have the opportunity to explore the history of the MG brand and see over two dozen of the most iconic models from the past century. Make plans to take this unique opportunity to celebrate the legacy of MG and explore the history of this storied and classic brand.

Featured exhibition cars will include.
