5. Treasurer's Report (Gloria Ciarrocca): Checking Account: Ending Balance = \$ 6,413.30.

6. Standing Committee Reports:

- WEB Update (Dennis) – Nothing special to report.
- Membership (Larry) – 2 new members; 155 total members; 13 didn't renew.
- Car Shows (Charlie) – The next list will go out this week.
- Road Trips (Gregg) – Trip to Tail of the Dragon? Fall event? Gregg will investigate further.
- Tech Squad (Jim, Bruce, Steve, Emory) – Issues with spam emails are being resolved (per Dennis). One inquiry concerning clutches was responded to.
- TOB and Beyond (Andy via email) – The event is happening at the new venue. Posters (11X 17) for businesses and fliers (8-1/2" x 11") are available. Posters not given out at Carlisle are

available at the meeting. We also have a 4.25" x 5.5" for placing in cars at shows available this year. If anyone needs any and the current supply is gone, I will be at the June meeting and hopefully at some of the CCC's going forward to provide them. Dennis will be updating the website soon with links to Eventbrite. I have responses from many of the car show volunteers, and we should be in good shape for support this year. Going forward we have 2 groups; those who will work until they expire and those that are good for 1-2 more years out. We should be good with planning something for 2026 but will need to do give further thought beyond that.

- Club liaisons (Pam) – Joint Club Picnic is scheduled for June 12th at Rocky Ridge Park, York.

7. Old Business:

- Covered Bridge Tour Recap – The dinner at McCleary's has been cancelled (due to minimum deposit/spending requirements.) A new date/location has not been selected.
- Carlisle Import Show Recap – There was a respectable showing of LANCO members at the show – some drove their cars (and some didn't). Dennis and the XKE never made it – ignition switch issues. The food at the tent was good – and the sun showed up on Saturday. Dennis Lackey (original Club member #2) and his son stopped by the tent to chat and reminisce.
- Bruce H. Road trip to a private car collection (in Skippack?) – Bruce wasn't at the meeting – more next month.
- TD Ride Request – The family of an 80+ year old man from Hummelstown is looking for a ride in a TD. Ride with Charlie B. is scheduled for June 21st at the AACA Museum Cruise-In.

8. New Business:

- Joe Clark suggested that we plan a trip to one of the Pennsylvania Hillclimb Association (PHA) events. He will investigate further and report back.

9. "Round the Table" Member Recap:

- Bob M. had three things to report:
 - There is a garage (ampREVOLT) in downtown Lancaster that specializes in the conversion of vehicles to electric power. More info to come.
 - Both his MGB and his boat have been sold (They both went to Annapolis).
 - The Keller Brother's Airport in Buffalo Springs has a collection of Ford vehicles. Bob can contact the owners to see if a tour is possible.
- Steve R. and Lucy recently spent 4 weeks touring 7 countries in Eastern Europe. (Note: Per Steve, the rental car was "a piece of junk"!
- Jim H. after 35 years, Jim has sold the MGBGT. It was sold to someone in Kentucky through an ad in Hemmings. Jim also reported that MG 2025 will be held in Crystal Lake, Illinois.
- Larry M. drove his recently acquired 1969 Sprite to the Meeting. He also reported that his church's annual car show will be held on August 9th.
- Bruce D. purchased a 1957 Morris Minor last June. He's looking to rejoin the Club.

10. The next meeting will be on June 1st at the Centerville Diner at 3:00 PM.

The business meeting was adjourned at approximately 4:45 PM.

Respectfully submitted,

Steve Dellinger
