Coffee, Cars & Conversation – December 2025 and January 2026

By Steve Dellinger
Photos by Steve Dellinger

Due to the scheduling of the Annual Banquet, the December 2025 edition of Coffee, Cars & Conversation was pushed back to Saturday, December 13th at our Winter location (the Burger King in Columbia, PA). The weather was partly cloudy and seasonal, and the turnout was good - 12 people and 6 British cars! (See photos below).

On January 4th we were back at the BK. The weather was less friendly. It was a slim turnout – with only nine people and four British cars in attendance. I took photos but they disappeared from my iPhone before I could download them 😞

January 2026 Club Meeting

The first Club Meeting of 2026 was held on Sunday, January 11th at the Centerville Diner in Lancaster. 29 members and one guest were in attendance, but only 6 British cars were driven.
